YOUNG INDIA'S TAHRIR MOMENT AND AFTER

A LECTURE BY

DR. AYESHA KIDWAI

This talk will discuss the events surrounding the rape and eventual death of a young medical student in December 2012. The event caused a massive upsurge, hitherto unprecedented, amongst young men and women and became the cause of a serious churning in Indian society on the issue of women's rights.

Dr. Ayesha Kidwai is an activist and currently a member of Jawaharlal Nehru University's Gender Sensitization Committee Against Sexual Harassment.
